I am 32 years old woman, live in Oslo for 3 years with my husband and 2 years daughter. I am looking for hairdresser job. I was working in this field 2013-2014 in Iceland, in 2014 I came to Norway. I have stopped working as hairdresser for a while. I would like to come back in this field, because I like to make people more beautiful. In my role as hairdresser, I can do customers hair in every styles or colors they want, doing wedding hairstyles, men and woman haircut.

I am very motivated to work as well as improve and develop my technical skills.

I speak English and I am getting better to speak Norwegian. I have finished A1 level courses at Norwegian language and I am working in A2 level write now.

I hope you are interested and I look forward to hearing from you.

Best regards
